>> Classes listed above will be run **only** when at least 3 karts are registered.

>> In the event you want to race and a 3 kart class is not present, Blue Max will work to place you with a comparable class to race. The intent is to not turn away racers, whether members or non-members, at a club event.

*Kid Karts will be run as a competitive class, with championship awards for the 2010 race series. All Kid Kart IKF rules apply and will be strictly enforced. Drivers who turn 8 during the year will be allowed to complete the 2010 race season in the Kid Kart class.
